

## Entering the Premises

When entering the school premises, please ensure that you make your presence known at the school office. Parents/carers are not permitted to make their own way to classes or around the building. This is to ensure the safeguarding of the children.

Once at the office, you can be best directed from there.

## Dinner Money

A special "thank you" to those parents who are keeping their child/children's dinner accounts up to date.

**A reminder that the dinner money cost of school dinners between 30th October and 20th December is £76.00**

We would like to take this opportunity to remind parents that school dinners should be paid in advance via ParentPay or barcode letter.

## End of Day Arrangements

Please be aware that the gates open at 3:05pm at the end of the day. The Gates do automatically open so please do not push on them as this causes the anti-crush mechanism to fail.

If you need to collect your child early, please call the office beforehand and inform them. You will need to arrive at the school office by 2:55pm if you are going to collect them early.

If a parent is granted entry prior to 3:05pm, please remain outside the school premises. This is for the safeguarding of pupils as children do continue to have PE lessons and playtimes until 3:15pm
