THIS WEEK IN SCHOOL

This week has been a great week, full of trips and preparations and finishing off art work. The children are getting more used to performing in front of peers and parents during class assembly time on a Thursday.

I am pleased to announce that we have a new Deputy Head starting after Christmas. After Mrs Badar's resignation we have been one member of the SLT down. She comes with an excellent reputation across the county and years of Deputy Head Teacher experience. From January Ms Ellison will be joining our team. She will be visiting us again this Thursday, do stop and say hello.

CHRISTMAS CAROLS

On the final Wednesday, Wednesday 19th December @5:30 we will be having a short carol concert. This is a drop in affair. The plan is to stand around a fire singing carols in a circle on the Penderley Road playground. This can be absolutely magical, it feels really very Christmassy. It will only last for half an hour. We will provide song sheets. If you can bring a torch with you to read the words that would be great. Unfortunately, as this is to be an outdoor event, if it is raining we would have to cancel. A decision will be made at 12noon to give plenty of time to plan.

CHRISTMAS TREE

Christmas has officially arrived! On Monday some of our students helped decorate the Christmas tree which stands in our hall. They did a wonderful job, as you can see, it looks magnificent.

CENTRE OF THE DEAF

Emily Beadle, the Speech and Language Therapist who works with children in the Centre for the Deaf, brought in some lovely ideas to share with parents on Tuesday morning. Like these chatterboxes that develop language and reading skills.

YEAR 4 IMPERIAL WAR MUSEUM TRIP

4A and 4J visited the Imperial War Museum this week. All the children had a great time and learned a lot more about their history topic on

WW2. The exhibition 'A Family in Wartime' tells the story of how ordinary people braved the challenges of life at home during WWII. We also saw guns, planes and tanks and watched a film about the evacuation of Dunkirk.
