

Cycling Course

Please read below if you are interested in a half term cycling course for children aged 7+.

This course is aimed for children who have **not learned how to ride a bicycle yet** or would **like to improve their cycling skills** to Bikeability Level 1 <https://bikeability.org.uk/>

The session takes place at Downham Leisure Centre, an off-road venue, in small groups and is perfect for your child to learn basic bike control skills.

Please bring your own bicycle and helmet. No bikes will be available for loan.

These sessions are very popular so each trainee can only be signed up to one session each during this half term to allow more children to have a go.

Early Collections

Please contact the school prior to your arrival if you need to collect your child during the school day. For hospital appointments in the afternoon, it would be appreciated if you collect your child before of after the lunch break.

Care Plans

If you have not already done so, please update your care plans and give them to Ms Purkiss.

Theme for February - Excellence

Children
are not things
to be moulded,
but people
to be unfolded.

Missing Items of Uniform

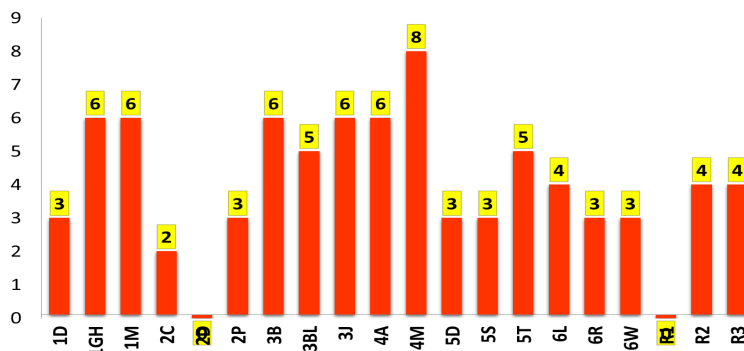

Dear Parents/Carers,

Recently, it has come to our attention that there has been an increase of clothing going missing. Please check your children's clothing to ensure they have not taken home another child's belongings and kindly return if a mistake has been made. Names should be marked clearly on clothing to enable lost property to be returned.

Well done R1, 4M & 6R! Let's aim for 100% next week
