Keeping You Informed

Friday 21st April 2017

Parents are not permitted to chastise other people's children

If your child has a disagreement with another child please speak to a member of staff to resolve it. It is absolutely unacceptable for any parent /carer to approach and speak to a child not in their care about issues and problems that have arisen in school time. It is not unusual for children to have disagreements, indeed this is part of growing up and we appreciate that most parents understand this. Some children fall out with each other regularly, generally children soon make up after a squabble. Adults have to be patient as children grapple with developing their social skills and school staff are best placed to deal with these as we see the children together throughout the day and have a fuller picture of the issues and circumstances.

Clubs

Clubs will be starting the week commencing Monday 24th April. All payments for clubs need to be made via ParentPay **before** the first session. Failure to make payment will result in your child losing their place in the club.

Don't try to *understand everything*, because *sometimes* it is not meant to be understood, but to be *accepted*.
