

## Free Top-Up Swimming Lessons Yr3-6

The sessions are provided to help children towards achieving the National Curriculum standards in swimming. The National Curriculum requires children to be able to swim 25 metres and to tread water for 30 seconds.

The sessions will be at Glass Mill Leisure Centre during the half term, Monday 29th May – Friday 2nd June. There are 4 sessions between 9am and 12pm. After you have applied you will be assigned a time slot. The sessions times are based on pupil ability, so it is important to attend the session you are allocated. You need to attend the same time slot daily for each session.

To register your interest and confirm your space please email: [Lewishamswimming@gmail.com](mailto:Lewishamswimming@gmail.com). **You can only book via this email not through the centre directly.**

Please include the following:

- 1) Your child's name, School attended,
- 2) Year group,
- 3) Stage level of swimmer – ASA stages 1 – 7 or equivalent (if known),
- 4) Any medical information or special requirements.

If swimming ability is not known state appropriate description from below:

**Non swimmer** – no or limited previous swimming experience

**Beginner** – is confident in water but not quite swimming on front and back unaided

**Improver** – can swim on their front and back.

**Confident** – can swim comfortably on their front and back and in deep water.

## INSET Day

Tomorrow, Friday 26th May is INSET day so there is no school for children. We look forward to seeing everyone back after half term on Monday, 5th June.

## Upcoming Events

## Well done to everyone that got 100% attendance

## Well done to everyone that got no late marks this week

# Parent and Carers Maths workshops

Welcome to a new season of workshops to help your child become a better Mathematician. These will be specific to your child and speakers include Mr Rowbotham (Maths Specialist), Mrs Badar and class teachers.

Workshops will be in the Main Hall, starting at **9.10 a.m.** and should last no more than 40 minutes:

- **Thursday 8<sup>th</sup> June:** Reception
- **Friday 16<sup>th</sup> June:** Year 3
- **Friday 23<sup>rd</sup> June:** Year 1
- **Friday 30<sup>th</sup> June:** Year 4
- **Thursday 6<sup>th</sup> July:** Year 2
- **Friday 14<sup>th</sup> July:** Year 5

All workshops will have support materials for you to take away and will be very much 'hands on'.

Arithmetic Fluency  
Investigative Intuition  
Mathematical Mindfulness

At Rushey Green we practise AIM which means that our children will confidently talk about maths using the correct language; that they will be resilient and be able to investigate new areas of learning; and that they will be able to see the relevance of maths in everyday situations.
