## Craze of the Week

### Traditional Games

## Things to do during the 6 weeks holiday,

- Encourage your child to record events, that they may take part in during the holidays, using as much detail and descriptive language as possible.
- Encourage your child to keep a Diary of their summer holidays, to share with their class, in September.
- When writing in the Diary, remind children to focus on improving their handwriting and spellings.
- Encourage your child to learn their Times Table.
- Take part in the 'Reading Challenge' at the local Library (which is Free of charge)
- Your child's new teacher will be telling the children what their new class topic will be in the Autumn term so they can do as much research about this during the Summer holidays.
