This week in school

Welcome back after a sunny relaxing half-term. The children seem well rested and have come back to school eager to learn and eager to get on with school.

We have had great interest from prospective parents wanting to join next year's Reception classes, so if you have any friends remind them to apply quickly at Rushey Green for next year. We have also had some new gates put up and some fences in the playground removed to allow the pupils greater access to the planted areas. Thank you all for your positive comments about how good it looks and how safe the bike shed now is. Also the children are going on the first values trip next Thursday. Well done to all those "always" children who have earned the reward.

In other good news, we have secured the services of 4 outstanding lunchtime staff who have all made a great start to the term. We have introduced lots of play time equipment which the children have really enjoyed getting to use. None of this would have been possible without the fundraising help of the RGSA. It is great to see our children benefiting so clearly from the monies raised by the RGSA, which is down to all of you. Thank you all.

Finally, a proud moment for me, I have shown around 3 visiting Headteachers this week and they all commented upon the calm, hard-working atmosphere evident throughout the school, so thank you and your children for making us look so good. Have a great weekend.

Mr Calvert

SCHOOL RELATED ISSUES

Please note that school related issues should be discussed with your child's class teacher as they are the first port of call. They will have the most information on any situation arising in their class.

3M

Ms Murillo is impressed with her class and their soup making skills!

ATTENTION NURSERY PARENTS

You can find all the information you need to apply for primary school places at www.lewisham.gov.uk/primaryadmissions.

If you cannot find the information you need, call admissions on 020 8314 8282 (Tuesday-Thursday, 9am-pm).

You must apply by the closing date on 15 January 2019.

RGSA

The RGSA Annual General Meeting (AGM) will be on Tuesday 6th November from 6-7.30pm. This is a yearly meeting for all members of the association (this includes all parents/careers who are automatic members). Elections to the management committee will take place and the year's events will be reported on. This is an opportunity for the committee to show that it's accountable for decisions taken, and how money has been raised and spent. Light refreshments will be provided. Hope to see you there. Children are welcome.

TfL STARS

It has been reported to TfL Stars that the parking on Culverley Road is an issue, particularly in the mornings and the afternoon when parents are dropping off/collecting children. With this in mind, the council are now looking at taking enforcement to address these on-going problems.

Parents/carers are invited to a meeting to discuss this on Monday, 12th November at 7.30pm.

POPPY APPEAL

Some of our students volunteered to sell poppies around the school this week. The money raised will go to assist distressed ex soldiers.

A CHILD LIKE ME

Lillian Brooks, RGSA Chair, will be running a session where we will be creating 'A child like me' pages. In this session parents can work with children to create a page about them, their journey to the school and the things they think are important in life. If we get enough, we will create a book for visitors in the school to read in the entrance hall and we will have a display in the Headteacher's Office to reflect the wonderfully diverse community that Rushey Green serves. The session will be next Friday at 1.30pm in the ICT suite. Parents can be joined by their children at that time should they wish. Please let Lillian know if you want to take part.

KINGSWOOD

We wish all the children attending the trip a lovely and fun time. Enjoy!

Chicken Pox Reception

A case of chicken pox has been reported in Reception and your child may have been exposed. Children with chicken pox are kept at home and will only return when there is no risk to others. In adults, chicken pox is a much more significant illness than in children and there is a greater risk of complications developing. Chicken pox in early stages of pregnancy may cause serious illness.
