

My Town.

Solo:

This is my town, my place;  
This is somewhere I belong.  
It's a pretty crazy place;  
It's the one place I call home.  
Where a million different lives  
And stories intertwine.  
This is my town, my place, my life  
And it's time for me to shine.

All:

This is our town, our place;  
This is somewhere we belong.  
It's a pretty crazy place;  
It's the one place we call home.  
Where people come from miles.  
To find fortune and fame.  
Where different doesn't matter  
'Cos at heart we're all the same.

No matter what your taste  
You'll always find it here;  
A move for every beat,  
A tune for every ear,  
A wealth of history,  
An awe-inspiring view.  
The more you look the more you will discover something new.

The world is at your feet,  
Such diversity, colours so much richer.  
The people that you meet, one community;  
See the bigger picture.  
There's life on every street, opportunities in the strangest places.  
The city never sleeps, too much energy;  
Life is what you make it.

(Divide)  
This is our town, our place;

It's a pretty, crazy place;  
It's the one place we call home.  
Where a million different lives

This is our town, our place, our lives and it's time for us to shine.

No matter what your taste  
You'll always find it here;  
A move for every beat,  
A tune for every ear,  
A wealth of history,  
An awe-inspiring view.  
The more you look the more you will discover something new.

And there's something 'bout this city I can't quite explain.  
It's an energy, a feeling running through my veins.  
Such a vibrant mix of cultures that are on display.  
It's the people who amaze me, take my breath away.

Solo:  
This is my town, my place;  
This is where I plan to stay;  
You can choose to wander blind;

All:  
You can choose to seize the day.  
The world is at your feet, such diversity,  
Colours so much richer.  
The people that you meet, one community;  
See the bigger picture.

There's life on every street,  
Opportunities in the strangest places.  
This city never sleeps, too much energy;  
Life is what you make it.

Sing:

Solo:

Some words they can't be spoken only sung,  
So hear a thousand voices shouting love.

All:

There's a place, there's a time,  
In this life when you sing what you are feeling.  
Find your feet, stand your ground,  
Don't you see right now the world is listening to what we say.

.

Sing it louder, sing it clearer,  
Knowing everyone will hear you.  
Make some noise, find your voice to night.  
Sing it stronger, sing together,  
Make this moment last forever,  
Old and young shouting love tonight.

To sing we've had a life-time to wait.  
And see a thousand faces celebrate.  
You brought hope, you brought light,  
Conquered fear no it wasn't always easy.

Stood your ground, kept your faith  
Don't you see right now the world is  
listening to what you say.  
Sing it louder, sing it clearer,  
Knowing every one will hear you,  
Make some noise, find your voice tonight.  
Sing it stronger, sing together,  
Make this moment last forever,  
Old and young shouting love tonight

Some words they can't be spoken only sung.  
To hear a thousand voices shouting love,  
And peace and hope just sing.  
Just sing, Just sing, just sing.  
Come on and  
Sing it louder, sing it clearer,  
Knowing everyone will hear you.  
Make some noise, find your voice tonight.  
Sing it stronger, sing together,  
Make this moment last forever,  
Old and young shouting love tonight.

Solo:

Hear a thousand voices shouting love.
