

## Maths

- ❖ Counting in 2s, 3s, 5s and 10s.
- ❖ Addition, subtraction, multiplication and division sums
- ❖ 2D and 3D shapes
- ❖ Division
- ❖ Measurements (Length, weight)
- ❖ Money

We will also carry out detailed assessments in each of these areas. These assessments will inform our end of Key Stage One results.

We will be setting the children Homework that will support the Maths taught in school during that week. Please continue to support your child in completing this at home.

## English

- ❖ Writing and retelling stories
- ❖ Writing lists, labels, instructions, writing diaries
- ❖ Developing our knowledge of phonics, reading and spelling

We will continue to give English homework that will consolidate the learning that has taken place during the week. Please continue to support your child in completing this at home.

## Science

We will be building on our knowledge about plants.

## History/Geography

Dinosaurs- making cross curricular links with English, Science and D&T.

## Art/ Design Technology

Designing and building a dinosaur from modelling clay.

## Information Technology

We will be using various programs to make links to the other aspects of the curriculum as well as improving our ICT skills through our coding program- Espresso Coding.

## PSCHE

Our value for Summer 1 is Resilience. The students will be participating in a number of activities centred around building resilience- looking at what it is and how to build it within ourselves.

## RE

We will be studying the religion of Islam.

## Physical Education
