

PUPIL PREMIUM

The Pupil Premium gives schools extra funding to raise attainment of disadvantaged pupils from reception to year 11. A fund of £625 million was introduced in April 2011 to give schools £400 per year for:-

- every child registered as eligible for free school meals
- children who have been looked after for 6 months or longer
- children of armed forces personnel

From April 2012, Pupil Premium Funding was also extended to all children eligible for free school meals at any point in the past six years.

The Government believes that the Pupil Premium Funding is the best way to address the current inequalities between children eligible for the Pupil Premium Grant and their peers. One of our Assistant Heads and the Head Teacher oversee the organisation of all additional provision in our school. There is a link governor for pupils eligible for the Pupil Premium Grant (PPG), who monitors the provision and its impact.

Pupil Premium Grant (PPG) provides funding for two policies:

- ❖ raising the attainment of disadvantaged pupils of all abilities to reach their potential
- ❖ supporting children and young people with parents in the regular armed forces

Terms on which PPG is allocated to schools

The grant may be spent in the following ways:

- ❖ for the purposes of the school – i.e for the educational benefit of pupils registered at that school.
- ❖ for the benefit of pupils registered at other maintained schools or academies on community facilities eg services whose provision furthers any charitable purpose for the benefit of pupils at the school or their families, or people who live or work in the locality in which the school is situated.

The PPG per pupil is as follows:

- ❖ £1,320 per pupil for each Ever 6 FSM full time equivalent (FTE) pupil aged 4 and over in year groups reception to year 6, except where the pupil is allocated the CLA or post-CLA Premium Grant.
- ❖ £1,900 per Child Looked-After (CLA) defined in the Children Act 1989 as one who is in the care of, or provided with accommodation by, an English local authority.
- ❖ £1,900 per pupil for each post-CLA in year groups reception to year 11 (Children who have ceased to be looked after by a local authority in England and Wales because of adoption, a special guardianship order, a child arrangements order or a residence order).
- ❖ £300 per pupil in year groups reception to year 11 recorded as Ever 6 Service Child or in receipt of a child pension from the Ministry of Defence.

We currently receive grants for three post-CLA, three CLA and have no service children on roll. The rest of our grants are based on Ever 6 FSM.
