

Rushey Green Reception Newsletter

Topic

The topic for this half term is titled:

'Ourselves/People Who Help US'

We will be exploring our topic through our 7 areas of learning. We have already started talking about pets and whether we have a pet and what pet we would like in the future.

After Half Term our topic will be: **'Animals'**.

The curriculum is based around 7 areas of learning, which are:

Maths

Communication and Language

Physical development

Literacy

Understanding the World

Expressive Arts and Design

Personal Social and Emotional Development

Reading

We cannot stress enough how much regular reading at home will benefit your child's learning. Your child's reading record will be checked regularly and all children will be rewarded for regular reading.

Outdoor Equipment

This term we will have a special focus on developing our outside area. If you have any outside toys (in good condition) that you no longer need and you feel that it would be useful for us in school please come and speak to your child's class teacher.

Remember PE

PE will commence for all Reception children in a few weeks. Please remember to bring the correct PE kit on your child's PE day! We are really trying to encourage independent dressing and undressing. PE time is a perfect opportunity to practise these skills. Therefore we would be very grateful if you could please practise independent dressing at home.

PLEASE ENSURE ALL ITEMS OF UNIFORM ARE LABELLED

R1: Thursday

R2: Tuesday

R3: Tuesday

Circle Time

Every week the children will take part in circle time. In these sessions the children will find out about each other and develop their personal skills. We will use personal experiences about children's family life. Please come and share home experiences with us to share with the class.

People Who Help Us

As part of our topic on 'People Who Help Us'. We would like to invite parents, carers and grandparents who work in a public role to come and speak to the children about what they do and how they help.
