

skydive

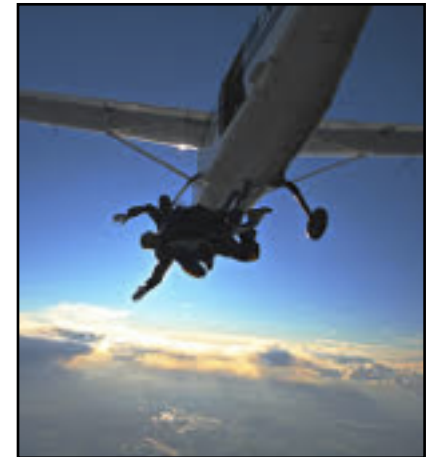

for charity

Terry Monaghan
Year 1 Teacher

I am aiming to complete a sponsored skydive to raise money for two important charities **Children's Cancer** and **Leukaemia** group and **RGSA**.

Children's Cancer and **Leukaemia Group:**

Cancer is something that affects all of us directly or indirectly and the thought of a child suffering and dealing with cancer is horrifying. The charity aims to provide vital research and to support families.

RGSA:

As well as contributing to the RGSA's funds, I am looking to specifically help fund a Sensory Room. This will benefit a wide range of children in our school.

24th May Children wear own clothes to school for £1 donation
24th May 9-10am Bake sale and coffee morning for parents
