Dear Parents/Carer,

**Re: Crystal Palace Park**

In connection with our Science topic on "Microhabitats" this term, Year 2 will be visiting Crystal Palace Park on **Thursday, 30<sup>th</sup> March 2017**. As our topic this term is microhabitats and mini beasts, we will be researching different habitats and the different types of creatures that live there. The children will investigate the area to look at what lives there.

We will be travelling by bus, leaving school at 9.00am and returning by 1pm. These trips are a valuable part of your child's education and are made possible by your support. There is no cost for this trip.

Please send your child with a waterproof coat and wellington boots.  
If possible, please give your child a trowel/spade/small shovel to dig with.

Your child will be provided with a school packed lunch on this day. You may give your child a bottle of water to bring on the trip. The bottle needs to be clearly labelled and not made of glass.

We shall need extra adults to accompany us on the trip. If you are available, please see me as soon as possible. Please note that the trip will be cancelled if we do not have the required number of adults needed to accompany the children.

Yours sincerely,

Year 2 Class Teachers

**PLEASE RETURN TO CLASS TEACHER/TA ONLY**  
**Year 2 – Crystal Palace Park**
