Dear Parent/Carer,

I am writing to inform you that the year 4 children at Rushey Green will be receiving free guitar tuition every Tuesday throughout the new academic year 2016/17. This is part of a music scheme called 'Tune Up' which is financed by Lewisham Music Service.

The lessons are taught by a professional guitar teacher and in addition the year 4 teachers and myself accompany the children to the lessons.

Unfortunately the guitars cannot be taken home. As a result may I suggest that after discussion with your child, if your child appears enthusiastic and is making good progress on the instrument, purchasing a guitar might be advantageous so that practise can take place at home.

The aim behind the scheme is that children of primary age will discover the benefits of music making and then want to further develop their skills either through peripatetic lessons at school or on a private basis.

If after a few weeks, you would like to discuss your child's progress or talk about the cost of a child's guitar, I am available in person on Monday, Tuesday and Wednesday. Similarly, if you have any concerns about these lessons, please do not hesitate to contact me.

Yours sincerely,

A. Wright
